

WE PROVIDE THE PEOPLE WHO MAKE **AMERICA WORK.**

Talent Corps is a people company.

Our talented corps of associates – smart, hard working men and women – help organizations meet the critical demands of their customers. We'll help you get work done on time, on budget, and with the quality you require.

Talent Corps is run by people who are experts in the professionals and jobs we fill for you. We work strategically to support your company – fast and efficient when necessary, thoughtful and attentive when faced with challenges, and flexible enough to pivot quickly when the unexpected happens.

About Talent Corps

- Founded in 2017 by CEO Jared DeRuby. Built on his vision to create a workforce company where people come first.
- Started with Electrical Talent. Expanded to include divisions in Construction, Mechanical, and Industrial Talent.
- Added the Medical Talent division in 2020, focused on traveling nurses.
- Rebranded as Talent Corps in 2020 to position the company for continued extension into additional workforce specialties.
- Veteran owned, veteran friendly.

A Values-Driven Company

We live and work by the values on which the Talent Corps brand is built.
